

LIVABLE, STYLISH AND AFFORDABLE

THE ACORN

The Acorn Series offers an open plan design; It's the perfect choice for those wanting a great home without breaking the budget.

The two bedrooms include built-in robes for essential storage and hanging space.

The base floorplan comes with the option for a free upgrade for an island bench with breakfast bar seating.

With the large open plan kitchen/dining, combined with the spacious deck area. This is the dream home for people who like to entertain.
